## Peacock dominates stock market game

By Steven G.

Peacock Junior High students have once again triumphed in the state-wide stock market game, played by both junior highs and high schools throughout Illinois.

Seventh grader Suzee R. finished first in the region and second for the whole state. Starting with a portfolio of \$100,000, She increased its value in ten weeks to \$147,467!

Suzee's winning investment was Krispy Kreme Donuts. She talked to her family about her stock and then she checked the value of it.

She commented, "I enjoyed it a lot, I found it very exciting, and I wish I was still playing the game."

Suzee's current stock pick is still Krispy Kreme.

Seventh grader Suzee R. continues Peacock's winning tradition in the state stock market game. Krispy Kreme Donuts were the key to her success.

## New superintendent takes over at District 10

By Michele B., Copy Editor and Ashley S., Features Editor

At the end of June, Itasca School District 10 Superintendent, Dr. Glenn Acksel, will be retiring, and Dr. Kenneth Cull, an Associate Superintendent of Personnel from Schaumburg Township Elementary District 54, will take his place.

Dr. Cull worked in Schaumburg for about thirty years as a teacher, principal, and associate superintendent.

While in Schaumburg, he helped the superintendent and made sure things ran smoothly.
